PROM XCHANGE Consignment Form

PROM DRESS CONSIGNMENT RULES:

PO# _____

The purpose of PROM XCHANGE is to help girls recover some of the cost associated with their prior years dress, some which have been worn only once, while helping other girls get a like new dress at a substantially lower cost than a new one. Thank you for your support!

- 1) Fashion Xchange will evaluate all prom dresses to determine whether or not the dress is approved for consignment with Fashion Xchange. Dresses must be clean, current and in very good to excellent condition in order for Fashion Xchange to consign them.
- 2) Fashion Xchange will determine the resale price of the prom dresses. Pricing will be based on the approximate original price of the dress, brand, style, condition and salability. Fashion Xchange will price accepted dresses at around 50% less than the original price.
- 3) Consignors will receive 50% of the selling price of their dress(s).
- 4) A \$5 stocking fee will be charged at the time of consignment.
- 5) Fashion Xchange does not assume any liability for lost, stolen or damaged items.
- 6) Consignors may pick up any unsold dresses during normal business hours between April 23rd and May 5th. Any dresses not picked up by close of business on May 5th will become the property of Fashion Xchange, LLC, unless other arrangements have been made.
- 7) Consigned dresses must remain at Fashion Xchange until the dress is sold or the Prom Xchange ends on April 23rd.
- 8) Consignors will be mailed a check the week following the sale of the dress(s).
- 9) Consignors must be at least 18 years of age and provide photo identification/number.
- 10) Fashion Xchange reserves the right to stop accepting dresses based on existing inventory levels or any other reason. Please call ahead to see if we are accepting dresses prior to coming.
